Thence it runs along the southern boundaries of Survey Nos. 39 and 40 reaching the southernmost point of tank Survey No. 41. Thence it runs along the southern boundary of this tank and then turning northwards it runs along the western boundary of the said tank Survey No. 41. Thence turning westwards it goes along the southern boundary of Survey No. 40. From thence it runs along the eastern boundary of Survey No. 34 and continually passing through Survey Nos. 35 and 36 meets a bondh and a stone in the middle of the northern boundary of the said Survey No. 36. From this point it takes a south-westerly direction up to the north-west corner of Survey No. 37, where it meets the Sirgalale boundary at the 2 bondhs. From thence it runs in a southern direction along the eastern boundary of Survey No. 31 of Sirgalale village, up to the corner in the middle of the northern boundary of Survey No. 32. Thence it runs westwards along the northern boundary of Survey No. 32, up to its north-western corner. Then it takes a southern direction along the western boundary of Survey No. 32, till it meets the north-eastern corner of Bettagere, hamlet of Sirgalale village at the 2 bondhs. From this point it runs along the northern boundary of Bettagere village and touching a stone in the eastern boundary of Survey No. 176, it passes northwards up to the north-eastern corner of Survey No. 176. Thence it runs westwards along the southern and northern boundaries of Survey Nos. 31 and 55, respectively, till it meets the north-eastern corner of Survey No. 56. Thence it takes the southern direction along the eastern boundary of Survey No. 56, till it meets the south-eastern corner of the said Survey No. 56. From this point it runs westwards in a straight line through Survey No. 48, till it meets a stone in the curve in the middle of the eastern boundary of Survey No. 1 of Nagalapur village. From this point it continues westwards through this Survey No. 1, till it meets the south-eastern corner of Survey No. 2. Thence it runs along the eastern and northern boundaries of the said Survey No. 2 of Nagalapur village, till it meets its north-western corner. Thence it runs westwards along the northern boundaries of Survey Nos. 3, 4 and 5, till it reaches the north-western extremity of Survey No. 5 of the said Nagalapur village at the 3 bondhs. Here ends the southern boundary.

The western boundary begins from this point and runs northwards along the north-eastern boundary of Survey No. 126 of Nagalapur village, till it meets the north-eastern corner of the said Survey No. 126, which is the starting point.
